

CAPABILITY STATEMENT

WHO WE ARE

WellCentric DC is committed to making an investment in the lives of the citizens of the District of Columbia, as well as in the communities in which they reside. It is our purpose to ensure health care access is available to all.

WellCentric DC's mission is founded on our love of the population we serve and the pursuit of equal access to health and wellness for all. Our mission supports our vision to demolish health disparities in minority communities. WellCentric DC is a majority-

women owned Certified Business Enterprise (CBE) headquartered in Washington, DC. Our talented team collaborates with companies and government agencies to solve complex problems that impact underserved communities and close health equity gaps caused by social determinants of health. Additionally, we support health care providers, who serve minority populations, learn how to improve their practice efficiencies, and optimize revenues to keep their doors open and expand access.

CORE COMPETENCIES
